## EXPERIENCE

---

### Graphic Designer, ST Graphics

February 2021 - August 2023

- Designed a wide variety of professional signage, window films and wall graphics for businesses and corporations all throughout the tri-state area.
- Gained an understanding of modern printing and production processes, and have had the opportunity to personally design for clients such as Pepsi and the Cincinnati Bengals.

### Freelance Designer

August 2014 - Present

- Designed posters, T-shirts, logos, websites, business cards, and more.
- Marketed a range of captivating skateboard designs through my own personal online skateboard brand, Pressure Skateboards, on Etsy.

### Library Services Assistant, Public Library of Cincinnati

November 2016 – February 2021

- Assisted patrons with essential library services such as answering reference questions, checking in/out library materials, cataloguing, shelving, and more.
- In charge of designing nearly all branch signage, advertisement, and interactive displays.
